The MANAGER'S OPINION

with **BRIAN MILLER**

In welcoming Bolton Wanderers to Turf Moor for our second meeting in eight days, I appeal to the fans of both clubs to make this game more memorable for the football on the field rather than the dreadful events of last week off it.

Local "derbies" create a great atmosphere and long may the rivalry between our clubs continue, whether at League or Cup level.

But let's keep it to football on the park so that the true fans of both clubs can come here and enjoy it without distractions.

I can assure everybody that both clubs' players really enjoy meeting either here or at Burnden Park and not long after the match last Saturday was finished, Bolton's manager Phil Neal was seeking me out to shake hands, offering commiserations on our exit from the competition and wishing Burnley all the best for the season.

It would have been my duty to do the same if we had been successful, and as both sets of players got together after for a drink and a chat about the game just completed, it made a mockery of the way certain fans from both clubs were behaving.

As I have said previously in these programme notes this season, like Phil, I want fans who come to watch the game on the park — not those who appear to be hell-bent on bringing the game into disrepute off it.

After our recent disappointing results in the League we needed the boost of a Cup win last week, but it wasn't to be.

It's no use us saying that the way things went in the first half we should have been two up at half-time. We should have put the ball away and as the game went on it became that much harder.

It's never satisfying for a game to be decided with a penalty, but I have no complaints about the one awarded against us last Saturday which brought Bolton their winner.

We were caught in a one-against-one situation on the half-way line and shouldn't have been.

Now it's very important today that we can get straight back again at the same opposition, take our chances when they come and not make mistakes at the back.

The Cup defeat ended a week which was the worst we have experienced so far this season.

Phil Malley, told that he had been banned for three games, slipped on a wet patch in training and broke his leg. A real fluke of an accident in training but one that will probably keep him out of competitive games for the rest of the season.

Then, in the space of half-an-hour, Peter Daniel sustained a fractured nose just before the interval of Saturday's game and finally we have George Oghani stretchered off with a leg injury.

Peter's injury will keep him out of the game for four or five weeks. It's a similar injury which kept out skipper Ray Deakin for nine matches earlier this season.

George has ligament problems, an x-ray revealed on Monday, so that's a hat-trick of injuries.

GEORGE BRAY

TODAY we turn the spotlight on the backroom at Turf Moor to meet George Bray, who recently celebrated his 69th birthday and a 50 year connection with Burnley Football Club as a player, trainer and now kit man.

What were your best memories as a player?

Playing for Clarets in 1946-47, the first season after the war, when we won promotion and went to the F.A. Cup Final.

It was a big disappointment to lose 1 - 0 after extra time at Wembley, but winning promotion as runners-up to Manchester City was a tremendous consolation.

And your best memory as a trainer?

The Division One Championship win in 1960, when Burnley won 2 - 1 at Manchester City to pip Wolves for the title. Their consolation was to go on and win the F.A. Cup in the same season.

You played more than 200 games for Clarets, 150 of them in the First Division. Who do you rate as the best players you have seen in Burnley teams since the war?

In the order they played: Reg Attwell, Jimmy McIroy, John Connelly, Brian O'Neill and Willie Morgan. There have been a lot of good players in my time at Turf Moor and I've never yet seen a captain to match up to Alan Brown, our skipper in 1946-47.

The best player you have ever seen in your playing days, other than with a Burnley side?

Stanley Matthews. A lot of people in my days as a player argued about him and Tom Finney. They were both great players but, for me, it will always be Stan.

Burnley began their first ever 2nd Division campaign with a comfortable 5-1 home win against Blackpool on 4th September, 1897. 14 more straight wins followed at Turf Moor, including 2 cup games until the first, and only, home league point of the season was dropped against Gainsborough on 12th March, 1898. Burnley's highest league score was equalled in the 9-3 win against Loughborough at Turf Moor on 28th March, 1898. Jimmy Ross scored 5 in this match, the first Burnley player to go 'nap' in their league history. His third goal was the five hundredth scored by the club in league football and, co-incidentally, Darwen's goal at Turf Moor on 27th November, 1897 was the five hundredth conceded.

Billy Bowes' goal against Newcastle at Turf Moor on 4th October, 1897 was his fiftieth league goal for Burnley. He was the first Claret to achieve this milestone and one of only four Burnley players to score 50 league goals in the period before the First World War.

At the end of the season Burnley had finished as Champions of Division 2 and so went into the Test Matches to try to qualify for promotion. Their opponents were to be Stoke and the 'old enemy' Blackburn Rovers, who had finished in the bottom two places in Division 1. Burnley's games against Rovers were both won although Stoke won at Turf Moor. In the final game at Stoke both teams needed a point to achieve first division status the following season. Predictably the match finished 0-0 and promotion for Burnley was secured. The test match system was abolished after this season and in fact the number of clubs in the first division was also increased with the accommodation of Blackburn Rovers and Newcastle United.

A Warm Welcome to...

For the second consecutive Saturday we welcome the players, officials and supporters of Bolton Wanderers to Turf Moor. Following their 1 - 0 victory last Saturday Phil Neal's side will be looking to stretch further their seven match unbeaten run.

Bolton's last two league matches have also produced 1 - 0 wins away at Newport County and then at home to Leyton Orient, which has left them in third place in the league.

It is just over ten years since Bolton last won a league match at Turf Moor when a goal from Roy Greaves gave Bolton a 1 - 0 win on the opening day of the 1977-78 season.

Spotlight on the Manager

PHIL NEAL, as a player competed in over 700 games with Northampton, 11 years at Liverpool and at Bolton. He's won a record eight League Championship medals, 50 England Caps plus League Cup/Milk Cup winners medals.

The Players

Goalkeeper **DAVID FELGATE** is in his second spell with the Wanderers, a £16,000 signing from Grimsby. The former Welsh international was a regular at Lincoln before joining the Mariners. The defensive roles are competed for by **JULIAN DARBY**, a Bolton-born former England schoolboy who broke onto the scene in March 1986. Can also play midfield. **MARK CAME** joined Bolton from Winsford United as a promising non-league player in April 1984. This solid central defender has been a regular in the first team squad since. **DAVE SUTTON** started his career at Plymouth, before helping two promotion winning teams at Huddersfield. Moved to Bolton for £12,000 in the summer of '85. In **DEAN CROMBIE** the Wanderers have acquired a very experienced defender during the close season. Dean was signed on a 'free' from Grimsby where he made over 350 appearances. 'Mr. Versatile' is what they call **DEREK SCOTT**. Joined the Wanderers from Burnley in June '85 for £20,000. This former England schoolboy international played in almost every position during his 11 seasons at Turf Moor. Completing the defensive squad is **MARK WINSTANLEY**, a promising youngster who made his debut at Bournemouth in March 1986.

In midfield we have **GARY HENSHAW**, another 'free' signing from Grimsby Town where he started as an apprentice and completed five seasons. **WARREN JOYCE** made his debut for the Wanderers in the Second Division in April 1983. This energetic, enthusiastic all-rounder won honours as a schoolboy at cricket and rugby before turning to a career in football. Peterborough United offered £30,000 for the midfielder during the summer. **STEVE THOMPSON** is a talented midfield player with a powerful shot. He is a penalty spot specialist, and a Bolton regular four years after graduating through the junior ranks. Bolton fans are pleased at the return of **JEFF CHANDLER**, a £30,000 close season signing from Derby County, whom he helped gain promotion to the First Division. Jeff can operate in midfield or on the left flank. Kicked off his career at Blackpool and had a spell with Leeds United before joining Wanderers initially in 1981 in a £40,000 transfer.

Up front is big London-born striker **TREVOR MORGAN** who has played more than 300 games in a career which started at Bournemouth and took him to spells with Mansfield, Bristol City (twice), Exeter and Bristol Rovers to whom Phil Neal paid £20,000 during the close season. It cost Wanderers £30,000 to bring front runner **JOHN THOMAS** to Burnden Park five years after he left the Club to join Chester. Proved a prolific goalscorer on his travels which included successful spells at Lincoln and

BOLTON WANDERERS

Preston where he scored 28 goals last season. An anonymous benefactor is sponsoring the fourth return of **NEIL WHATMORE** to the Club, where he started as an apprentice. During nine seasons he saw Bolton promoted from Division 3 to Division 1 before joining Birmingham in 1981 for a record £340,000 fee. Had spells with Oxford United, Wanderers (twice on loan) and Burnley before joining Mansfield with whom he won a Freight Rover Trophy winners medal last term. Striker **STEVE ELLIOTT** cost Bolton £25,000 from Walsall. Started his apprenticeship at Notts. Forest before moving to Preston and then at Luton. Came to prominence at Deepdale after £95,000 transfer. Scores goals himself but is also regarded as provider for his colleagues. This is Steve's second season after making his Bolton debut against Swindon last term.

COMMUNITY PROGRAMME NOTES

Today we welcome Gary Pierce, Tommy Booth and 25 children from Bolton as part of the "Club Exchange" in our Community Programme Scheme. They will be sat alongside 30 pupils from Brunshaw Primary School who have been involved with us in our School Project. We hope you all enjoy yourselves at Turf Moor.

Activities and events are now running smoothly and we are now entering five different schools, namely Townley High, Worsthorne Primary, Heasandford Primary, Casterton Primary, and St James Primary as part of our schools project.

We shall soon be organising a "Fashion Show" here at Turf Moor, so keep a look out in the Local Press for further details.

Finally I must thank everybody here at Turf Moor from the Chairman Mr Frank Teasdale to Mrs Thomson, Laundry Lady for their great enthusiasm in helping me and my staff in our Community Programme Scheme.

Brian Flynn.

PHIL MALLEY

Everyone connected with the club wishes Phil a speedy recovery from the broken leg he sustained in a freak training accident eight days ago. Phil slipped on the wet ground and the resultant injury is likely to keep him out for most of the season.

During last Saturday's game Peter Daniel broke his nose, an injury which will keep him out for several weeks, whilst George Oghani's ankle injury will keep him out of action, hopefully for a shorter period of time.

RESERVES

Burnley Reserves went down to a 2 - 0 defeat against Manchester United 'A' last Saturday. The match was switched from the waterlogged Gawthorpe to United's training ground.

F.A. YOUTH CUP

Following our youth teams excellent 2 - 1 win at York City, they must again travel in the third round, having been paired with Newcastle United.

F.A. CUP DEFEAT

Two statistics which came out of last Saturday's defeat. The attendance of 10,641 was the 2nd highest of the 39 first round ties played last weekend, only two second division matches had higher attendances.

Secondly, this was Burnley's first home defeat in an F.A. Cup tie since January 4th, 1975 when Wimbledon, then in the Southern League came to Turf Moor and won 1 - 0.

TREVOR STEVEN

The former Burnley midfield player last week won his eighteenth England cap in the 4 - 1 victory in Yugoslavia, but came back to earth last Saturday, when he damaged a hamstring in Everton's win over West Ham.

PROGRAMME PARADE

1963-64 brought little change in the Turf Moor programme. Once again printed by Hamilton Publications Ltd. of Burnley, the price of 4d for 16 pages was retained. Twenty-four league and cup home matches had programmes, and there were additional programmes for the postponed games against Leicester City and Tottenham Hotspur, a testimonial game for Tommy Cummings against an International XI and a friendly match against Bury.

Burnley had started the season with Ray Pointer still out injured, Alex Elder breaking a leg in training and Ian Towers asking for a transfer. Arthur Bellamy scored a hat-trick against Everton and the Claret's celebrated Christmas by hammering Manchester United 6 - 1, Andy Lockhead scoring four times. Two days later, the return match took place at Old Trafford, Burnley losing 1 - 5!

The programme illustrated is from the third round F.A. Cup Tie against Rotherham United on January 4th, 1964. United, who were in the second division at the time, were very much underdogs. Page 13 of the programme gives pen pictures of the Rotherham squad, the majority of whom were total unknowns to Burnley supporters. Andy Lockhead had given Burnley the lead, but things did not go all Burnley's way. An 18 year old forward, not included in United's pen pictures, scored the equaliser, his name, Frank Casper. It would be 3½ years later that Frank would sign for Burnley. Burnley had problems in the replay winning 3 - 2, eventually going out in the sixth round at West Ham United.

Burnley's team against Rotherham had been: Blacklaw, Smith, Elder, O'Neil, Talbot, Miller, Morgan, Pointer, Lockhead, Harris, Connelly.

In the league, Burnley spent most of the season in the middle section of the league and towards the end of the season, Walter Joyce was sold to Blackburn Rovers, followed by the departure of winger John Connelly, to Manchester United.

Burnley ended the season in spectacular fashion by beating Tottenham Hotspur, reigning league champions 7 - 2, with Harris, Irvine and O'Neil scoring two each and Lockhead one. To complete an excellent last day, the reserves won 7 - 0 at Manchester City with Ray Pointer scoring five times.
